Access Arrangements Request Form

To ensure that we give correct access arrangements to your son when he sits the Entrance Examination it is important that you supply us with the correct information. If you feel that this is applicable to your circumstances you need to ask your son's primary school to complete this form. You must then return it to St Ambrose College together with a copy of the applicant's Local Authority Statement of Educational Needs, Education Health and Care Plan or a SEND Support Statement from the applicant's primary school by no later than **31st August 2016**. All SEND reports must be current and dated no more than 2 years prior to the date of testing.

Please note that in line with all public examination requirements access arrangements, including up to 25% extra time, cannot be granted without the appropriate documentation that identifies the need and shows that this is the applicants "normal way of working". Evidence of this should be obtained from the applicant's primary school.

Applicants Full Name: _____
