

**St Ambrose College**

**5th Annual Photography  
Competition 2019**

**St Ambrose College Art Department**

January 2020

Dear All

Thank you to everyone who submitted entries to the **5<sup>th</sup> Annual Photography Competition**. We have again received a large number of wonderful photographs and, as ever, an eclectic range of subjects.

This catalogue includes the top 100 photographs and winners. Choosing both the top 100 and winners has again been a difficult task. The guiding principles were to include more photographs from boys than from parents, family members and staff, and to only accept one entry from each individual into the final 100.

Sadly, it was not possible to include everyone, and some entries needed to be excluded simply because entry details were not supplied or specifications followed. This year the smallest picture entered was just 25KB (large enough to print about the size of a postage stamp), and there were even entries sent via Word, PowerPoint, screenshots and, oddly, an Excel file. On the back cover of the catalogue this year, I have included some of those pictures that would have made it into the top 100 but for not following the entry requirements!

Entrants who are disappointed not to be included must remember...there is always next year!

Many thanks again to everyone for their participation and support.

Kind regards,

A handwritten signature in black ink, appearing to read 'Simon Roderick', written in a cursive style.
