

## Access Arrangements Request

Access arrangements will be agreed before the entrance test. They allow candidates with special educational needs, disabilities or temporary injuries to access the test and show what they can do without changing the demands of the test. The intention behind an access arrangement is to meet the particular needs of an individual applicant without affecting the integrity of the exam. Access arrangements are the principal way in which the School complies with the duty under the Equality Act 2010 to make 'reasonable adjustments'.

The Equality Act 2010 requires the School to make reasonable adjustments where a candidate, who is disabled within the meaning of the Equality Act 2010, would be at a substantial disadvantage in comparison to someone who is not disabled. Whether an adjustment will be considered reasonable will depend on a number of factors, which will include, but are not limited to:

- The needs of the disabled applicant,
- The effectiveness of the adjustment,
- The cost of the adjustment; and
- The likely impact of the adjustment upon the applicant and the other applicants.

The evidence of need required by the School will vary depending on the disability and the access arrangement(s) being applied for. Each case will be considered on its own merit.

Access arrangements must not give an applicant an unfair advantage over other applicants. Where a request for 25% additional time is made, therefore, it will only be granted where there is evidence of substantial impairment or exceptional circumstances. In order to evidence such circumstances, parents should provide the School with an Education, Health and Care Plan or relevant official SEND Assessment Report detailing educational needs. All documentation must be on an official letterhead and show the Assessors full name, qualifications and demonstrate how the assessment results were reached.

To ensure that we give correct access arrangements to your son when he sits the Entrance Examination it is important that you supply us with the correct information. If you feel that this is applicable to your circumstances, you need to ask your son's primary school to complete this form. You must then return it to St Ambrose College accompanied by a current Education, Health and Care Plan (EHC) or relevant official SEND Assessment Report detailing educational needs by no later than **15<sup>th</sup> July 2022**. Upon receipt of the completed form the College may contact the primary school to obtain confirmation of the applicant's "normal way of working".

It is not the School's responsibility to obtain information in relation to a request for access arrangements - this must be provided by the parents/carers.
