1. Mission Statement and Prayer

Mission Statement

At St Ambrose College, we will follow the example of Blessed Edmund Rice and his vision for education as laid out in The Eight Essentials.

We will provide a rounded, holistic and transformative Catholic education enabling all boys to grow in faith and reach their full potential as well educated, disciplined, compassionate and empowered young men who strive for excellence and justice in all that they do.

With the Gospels and the spirit of Blessed Edmund at the heart of what we do, staff, pupils, and families will partner together to celebrate the talents and individuality of all in our community and produce resourceful and resilient Ambrosians, equipped to make a positive impact in the modern world.

Prayer

God our Father,

Thank you for providing us with the opportunity to live out our faith through our experiences as part of the St Ambrose College community.

We will endeavour to follow St Ambrose's example of forgiveness and academic excellence as well as supporting those in our community to start anew when their actions do not replicate the message and values of the gospel.

We thank you for the life of Blessed Edmund Rice and are grateful for the opportunity to receive a rounded, Catholic education through following his example and The Eight Essentials.

Empower us to grow in faith, compassion and justice so that we can bring about your kingdom here on earth by taking responsibility for all of Your creation, recognising & respecting the differences and needs of everyone as well as nurturing and celebrating our own talents and those of others.

Send us the gifts of your spirit, so that we may have the courage to remain resilient & active in our mission to become equipped to make a positive impact in the modern world.

Amen

2. Eight Essentials of Edmund Rice

3. Policy Aims

- 3.1 Ensure all students and staff are working towards making the College Mission Statement and Edmund Rice's Eight Essentials a reality.
- 3.2 Create a calm, safe and supportive environment where all students can learn and thrive, where teachers can teach and students make excellent progress
- 3.3 To promote a positive culture of excellence at St Ambrose College based on relationships and Christian values, where student effort and achievement is recognised, celebrated and rewarded.
- 3.4 To ensure that the policy and its procedures are easily understood by students, parents and carers and can be consistently applied by all staff.
- 3.5 To acknowledge positive behaviour and address misbehaviour in a consistent and predictable way.
- 3.6 We strongly believe that "predictability" and consistency in all actions creates a safe and thriving school. Adherence to this policy is essential.

4. Learning Expectations

4.1 Learning Expectations

All students must adhere to Saint Ambrose College's Learning Expectations. These are the foundation upon which all behaviour and attitudes will be judged and will allow students to make progress and thrive. All further guidance regarding rights, rules, responsibilities and culture, complement and underpin the Learning Expectations.

The Learning Expectations are:

- 1. 100% classrooms (100% focus from 100% of the class 100% of the time)**
- 2. Everybody has a right to learn without having their learning disrupted.**
- 3. Students follow teacher instructions.**
- 4. Accountability. Students take full responsibility for the choices they make.**
- 5. We are kind, polite and respectful to everyone and everything within the Saint Ambrose College community.**

Students must familiarise themselves with this language. It will be used by staff to reinforce our high expectations for all within the Saint Ambrose College community.

Our policy is based on student choices and this is clearly communicated with students. Good choices will be celebrated and rewarded and poor choices will have consequences.

C	Choices	Students are accountable for the choices they make. You can make good choices or bad choices and must accept responsibility for them.
R	Rewards	Good choices will result in rewards and recognition of your efforts.
C	Consequences	Bad choices will have negative consequences.

Learning Expectations Breakdown for Students:

<p>1. 100% classrooms (100% focus from 100% class 100% of the time)</p>	<ul style="list-style-type: none"> • This expectation about focus and your AtL (attitude to learning) • It's about understanding that effort and commitment have a <u>greater impact on achievement than intelligence.</u> • 'Less able' (<i>students with lower prior attainment on entry</i>) hardworking students do better and over take their 'more able' peers by the time they take their GCSEs and A Levels. Our historic progress data supports this.
<p>2. Everybody has a right to learn without having their learning disrupted</p>	<p>Quite simply, low level disruption will not be tolerated.</p> <ul style="list-style-type: none"> • <i>Talking whilst the teacher is talking</i> • <i>Being off task, and communicating inappropriately with friends in lessons</i> • <i>Inappropriate comments and questions to deliberately distract from the topic</i> • <i>Getting out of your seat without permission</i> • <i>Questioning the teacher after an instruction</i> <ul style="list-style-type: none"> • Teachers have the right to teach. If teachers stop teaching, you stop learning, if you stop learning you don't make progress and prevent others from doing so. • If you stop teachers' teaching and stop others from making progress, there will be serious consequences for your poor choices. • <u>Students that witness extreme disruption</u> have a duty and moral obligation to tell the truth during any investigations that impinge on this learning expectation. • Your parents and carers have chosen Saint Ambrose College as they feel it is the best place for your education. <u>WE MUST ENSURE THAT IT IS.</u>
<p>3. Students follow teacher instructions</p>	<ul style="list-style-type: none"> • Teachers are professionals. Their job is to teach and make decisions to ensure all students make progress and are educated in the Eight Essentials. This includes making decisions and judgements based on the choices students make and based on available evidence. • Students must respect and follow the teacher's instructions at all times they must not question or argue back. • Students must work in partnership with all staff. • Reconciliation is at the heart of our school ethos so after every incident staff and students will have an opportunity to restore the relationship.
<p>4. Accountability. Students take full responsibility for the choices they make.</p>	<ul style="list-style-type: none"> • We do not blame others for our actions and choices. We take full responsibility for our choices and this will develop good Christian Life Skills.
<p>5. We are kind, polite and respectful to everyone and everything within the Saint. Ambrose College Community.</p>	<p>EVERYONE <i>"if you haven't got anything nice to say about someone don't say anything at all"</i> We are aware that some students call it 'banter' others would call it 'bullying' some call it 'messing around'. At the College we call it 'Child- on- child abuse'. It's important to know that our words have consequences and can be interpreted differently by each individual.</p> <ul style="list-style-type: none"> • Everyone includes staff. All staff have the right to come to work, enjoy their profession and flourish as individuals. <p>EVERYTHING</p> <ul style="list-style-type: none"> • Other people's possessions, school equipment, the College grounds and furniture. • People caught dropping litter will be given a community act to complete. It's irrelevant if you are not the only person to drop litter. If you were seen you are accountable and responsible. We must demonstrate pride in our environment and appearance at all times. <p>BUILDING A CHRISTIAN COMMUNITY "... Christ inspired, based on mutual respect, self-sacrifice and fully human dignity".</p> <p>Students must understand that staff want the very best for them. Staff will look for ways to 'catch students doing the right thing' and will reward.</p>

Attitude to Learning (AtL) scores explained

Attitude to learning will be celebrated and recognised as the main contributor to academic achievement. Students with average scores of good or above usually make better progress. Our own data shows that hardworking students with consistently positive AtL scores, outperform their peers of similar prior attainment with negative AtL scores.

Students will be given AtL scores as follows:

- Grade 1 = Outstanding
- Grade 2 = Good
- Grade 3 = Passive
- Grade 4 = Reluctant

Reluctant (Grade 4)	Passive (Grade 3)	Good (Grade 2)	Outstanding (Grade 1)
<ol style="list-style-type: none"> 1. Rarely engages with the learning principles and can often be involved in disruption. 2. Lack of pride in work and presentation is below what is expected. 3. Homework is often late, incomplete and often does not reflect their ability. 4. Actively fails to follow rules, routines and responsibilities. 	<ol style="list-style-type: none"> 1. Often engages with the learning principles but can sometimes become involved in low level disruption. 2. Work sometimes demonstrates a lack of pride and presentation is inconsistent. 3. Homework activities are completed, but often fall short of the student's ability. They do not 'strive for excellence.' 4. Fails to follow rules, routines and student responsibilities consistently. 	<ol style="list-style-type: none"> 1. Consistently engages with the learning principles. 2. Pride in work is evident and presentation is good. 3. Homework tasks completed fully and submitted on time. 4. Consistently follows rules, routines and student responsibilities. 	<ol style="list-style-type: none"> 1. Always demonstrates full engagement with the learning principles and leads by example aiming to create an outstanding culture of learning in lessons. 2. Pride in work is clearly evident with consistently outstanding presentation. 3. Homework tasks display outstanding effort and evidence of wider reading and research. 4. Consistently follows rules, routines and student responsibilities.
Language association 'best fit descriptors' for holistic attitude to learning grade:

The Senior Leadership Team & Heads of Year will use AtL data to reward and acknowledge students for good and outstanding 'average AtL' scores. Those students falling short of the high expectations will be supported to improve their AtL, so that their academic achievements can improve and they can make better progress.

DATA	Outstanding	Good	Requires improvement	Major Cause for Concern
AtL Score (average)	1 to 1.5	1.6 to 2	2.1 to 2.5	2.6 to 4

5. Rules, Rights, Responsibilities and Relationships

- Staff have a responsibility to establish routines and classroom 'norms' using very high expectations and standards to create the 'culture and ethos' expected around the College inside and outside of lessons.

5.4 The Role of Form Tutors

- Effective pastoral form tutors are vital in ensuring outstanding behaviour from students. Form tutors have a right to be respected, trusted and valued.
- Effective form tutors build positive relationships with the students in their care and convey to students that they represent them personally around the College.
- Effective form tutors challenge students each day if basic standards are not being met.
- Effective form tutors are key to building outstanding relationships between home and the College.
- Effective form tutors set the tone for the day and support the rest of their colleagues to have positive interactions with the students in their form.
- Effective form tutors use every moment in form time to support and nurture their students, through prayer, reflection and challenging 'Attitude to Learning' standards.
- We believe effective pastoral form tutors ensure the College is successful, fulfilled and a calm place of learning where students feel safe and can thrive.

5.5 Rights and responsibilities of parents and carers

- Parents & carers have a right to know their children will be safe, cared for and will be supported to be developed emotionally and academically.

- Parents & carers have a responsibility to ensure their child has excellent attendance and inform the College as soon as possible if their child is going to be absent.
- Parents & carers must support the college even if it inconveniences them for example a detention or school meeting.

5.6 Responsibilities of students outside of College

- Students have a responsibility to uphold the values of the College and the Eight Essentials at all times.
- Students have a responsibility to be polite, courteous and well-mannered to members of the public and behave in a way that promotes the values, ethos and culture expected by students that attend Saint Ambrose College.
- Students must remember that they represent the college at all times.

6. Culture, Ethos and Routines

At Saint Ambrose will have a 'Culture Of Excellence'. Culture and ethos relate to the beliefs, values, ideas and 'atmosphere' of the classroom, lessons and wider school environment. Creating a culture of excellence is a challenge and requires all members of the College community to work together. Repetition and maintenance may be required frequently, until routines and expectations become habits and the 'norm' in lessons and around the building. Investing time to practise routines and embed the culture will help students and staff to thrive and allow us to focus on our core purpose of teaching and learning and make exceptional academic and spiritual progress.

6.1 Classroom culture, ethos and routines

Classrooms and lessons are places where high quality teaching and learning take place. Staff expectations, routines and accepted 'classroom norms', create the culture within a lesson, and this will become accepted by the wider group (the students). Staff create a consistent and positive culture where learning and progress can thrive. Inconsistency of classroom culture undermines the wider whole school Behaviour Policy. It is in our consistency that students have the predictability to feel safe, secure and thrive.

Below is a non-exhaustive list of expected classroom 'norms' to create the excellent culture for learning:

- Uniform and general standards are inspected upon entry and challenged when they fall short.
- Students are greeted and welcomed into the lesson if possible by name.
- Students late to be recorded on SIMs.
- There is a planned seating plan which is recorded on 'Class Charts' and saved centrally.
- Students follow the specific routines led by their classroom teacher. *We accept that the end of lesson routines in Art and Design Technology will differ from those in Mathematics and English for example.*
- A prayer is said at the start of the lesson.
- Students and staff are polite and courteous.
- Students actively listen to and follow the teacher's instructions. The teacher is the expert and authority in the room all students have the right to listen and learn from them.
- Student body language should be that of paying attention and engagement. Not all learning is fun and exciting, as an academic school we expect students to concentrate at all times to learn, understand and consolidate difficult knowledge and academic concepts.
- Active learning means that students engage in all activities and apply themselves.
- Students stand in respect if a member of staff comes into the room to address them.
- Students do not engage in silly behaviour with their peers.
- It is not acceptable to listen to music with headphones as this would undermine the policy of no mobile phone being switched on during the school. Sixth form are permitted in personal study periods.
- Any distractions should not be on desks and teacher instructions should be followed immediately - If a member of staff deems something to be causing distraction (for example, water bottles being fidgeted with).
- Students do not shout out or talk over a teacher or another student.
- Everyone in the room matters and is important.
- Language is kind and caring in nature and we avoid all language that may cause upset.
- Language used by all is positive in nature and reinforces a 'Growth Mindset'.

6.2 Culture and ethos around the college

- Outside of lessons (**including online**) we never use language that may cause offence or upset to anyone within our College community. (*Abuse related to racism, sexism, gender identity, homophobia, religious beliefs, physical disability, mental health will not be tolerated and will be seen as 'child-on-child' abuse as stated in the College Anti-Bullying Policy and a breach of the Equality Act 2010*).
- Swearing, derogatory or defamatory language is not tolerated as part of the culture of Saint Ambrose College and is a sanctionable offence.
- Dangerous or reckless behaviour is not permitted at any time.
- We never run within the building for any reason.

- We actively use polite manners and show gratitude to all staff during breaks and lunch time and we welcome all visitors to Saint Ambrose College.
- Noise levels inside the building should be calm and not overly loud. We expect students to always conduct themselves as respectful at all times.
- **Students should behave as Ambrosians, living out the Eight Essentials, at all times.**

6.3 Routines

Saint Ambrose College must be a calm, organised and a structured place of learning. At the heart of our pastoral system is 'predictability'. Students and staff need to know that we are consistently treated and held to account in the same way. If anyone falls short of the expectations they undermine our calm and organised place of learning.

Before school

- Students should not enter the college grounds until 8.15am. There is an opportunity to buy breakfast here and be in the building between 8.15 and 8.45am. After 8.45am students should remain outside until 8.55am.
- Students need to be on time and ready for learning with all equipment, in the correct uniform and smart appearance.
- Staff on duty will check uniform and appearance on arrival.

In school

- Students to line up outside of the classroom and wait quietly and orderly.
- All lessons and form time start with a warm greeting by the member of staff at the door of the classroom and then a prayer.
- All students must be on time and work hard. When late it will be recorded and sanctioned.
- Planners should be on the desk in all lessons and used effectively to record homework and notes.
- All positive behaviour and input to class will be recognised, rewarded and recorded. (House Points)
- All sanctions and negative disruption to be challenged, sanctioned and recorded. (Behaviour Points) Any follow up actions to be followed.

Moving around the building

- Students and staff walk on the left at all times.
- Students to walk quietly and orderly at all times.

Lecture theatre and assemblies

- Students line up for assembly outside in the hallway in alphabetical order (as per fire drill) they should wait in silence.
- When in assembly, the lecture theatre is Sacred space, students should enter and leave in silence when instructed by staff.

Presentation of work

- All students should take great care in the presentation of their work at all times. Exercise books should be backed / covered to protect them with see-through plastic wrapping. The books are the physical legacy of the student's Attitude to Learning and so should reflect these excellent attitudes.
- Title/ Objective written, underlined, work to be dated and marked as C/WK or H/WK
- All work to be written neatly in pen and all graphs and tables to be drawn in pencil and a ruler used. Other subjects may have specific rules of presentation which must adhered to this will be explained in class.
- Work to be completed to the very highest level and any feedback responded to and acted upon.

7. Student Choices, Rewards and Consequences in class

At Saint Ambrose College we believe that all students should be empowered to make good choices in order to live out the mission statement and become young men who strive for excellence. To support students to correct their behaviour, staff will use a choices and consequences system with stages. The language used by staff will clearly communicate to students their stage of choice and consequence. **Please note:** *Negative behaviour points will be generated for each log made. The stage of choice and consequences will reflect the seriousness of a student's poor choices.*

Detentions at St Ambrose College

Detentions are used as a sanction at Saint Ambrose, to give students a chance to reflect and learn from their mistakes and to ensure that all flourish and to keep up high Standards of behaviour and attainment work. All members of staff have the authority to give a detention to a student. They can issue either a lunchtime detention or an after-school detention parents/ carers must be informed and both should be put on SIMs.

Detentions at lunchtime should last no longer than 35 minutes to allow students to get fresh air, eat, drink and use the toilet.

After school detentions should last for one hour. Where possible teachers will give parents at least 24 hours' notice for an after-school detention. If a parent/ carer is contacted and agrees, it can take place that night. All staff giving a detention must inform parents by writing in the planner, telephone or email. All detentions MUST be recorded on SIMS.

Subjects may choose to have a central detention where all staff the supervision of a detention it will still be required for the teacher to contact home. A HOD detention must be issued before a Leadership detention is issued / authorised by the subject Line manager. It is the same for Pastoral System Form Tutors should give detentions where appropriate and Heads of Year should have a weekly detention. An automatic Leadership Detention is given for gaining behaviour records see above.

A Leadership Detention on Thursday night will be given by the Behaviour and Welfare Coordinator after direction from a member of SLT, Head of Department and / or Head of Year.

A Saturday Detention will only be given after a discussion with the Vice Principal or Member of SLT.

In Line with the DFE guidance, detentions are given as a necessary means to correct behaviour. Unfortunately, we cannot change the date, time or postpone a detention because the detention may inconvenience parents / carers.

All staff and students will know this process and apply it fairly, consistently and predictably.

Outside of School

We expect students at St Ambrose to act as Ambrosians and behave well in and out of school. The College will sanction students for misbehaviour that takes place outside of school, including suspension, especially if a student is travelling to and from school, is wearing the school uniform, is identifiable as a member of the school, could have repercussions for the orderly running of the school, poses a threat to another student, can adversely affect the reputation of the school outside of school or other reasons that staff feel is appropriate.

7.1 Choices and consequences system

Stage 1	<ul style="list-style-type: none"> • First verbal warning that a student is not meeting the Learning Expectations 	<ul style="list-style-type: none"> • No follow-up for first verbal warning within a lesson recorded in planner student is made aware.

7.2 Strategies to correct and improve behaviour:

To improve behaviour of students, the College could/may implement any of the following:

- Restorative practice – all staff and students will be trained and use this
- Reflection exercises that allow students to self-reflect on the impact of their behaviour on themselves and others
- Report cards from the form tutor, Head of Year or SLT completed and then uploaded and saved SIMS
- 6th Form mentoring
- Internal isolation with SLT / Pastoral Leaders
- Dedicated time to learn and practise expectations and routines
- Reflection time in detentions
- Behaviour, Expectations & Progress Improvement meetings with parents and carers
- Behaviour and Expectations contracts
- Counselling (if deemed appropriate)
- Alternative Provision (AP)
- Meetings to review behaviour with school Governors
- Reward programs to achieve

7.3 Support for students who display continuous disruptive behaviour

Support for students who display continuous disruptive behaviour

The school pastoral system provides help and advice both to individuals and to groups to regulate behaviour. We have a highly experienced team of Senior Leaders who lead Heads of Year and the form tutors in the day to day pastoral care of our students. The appropriate Form Tutor followed by the Head of Year is the first point of contact should a parent wish to raise any issue or concern. In addition:

- a) The Education Welfare Officer provides specialised advice and support to individual students and families.
- b) The Safeguarding Team Led by Mr Groves, Miss Dean and / or Mr Cook can support.
- c) The support provided by the Special Educational Needs Department is designed to motivate students in their learning which in turn improves behaviour.
- d) Academic and Pastoral Mentors. The school has two learning mentors who support students in their school life and address behavioural / emotional and academic issues when they arise.

7.5 Sanctions

Sanctions are expected to act as a deterrent and will be used as an opportunity to learn and grow. Students that fail to make good choices and fail to uphold the culture of excellence, ethos and standards of the College could be issued with the following sanctions (*examples of behaviours that could result in such sanctions have been given but the list is not exhaustive. All sanctions will/could be considered by staff and SLT pending any incident of undesirable behaviour that violates the College behaviour policy and/or its positive climate for learning.*) Sanctions will be given consistently and fairly and always for the behaviour. During / after all sanctions e.g. detentions, discussions to correct behaviour and/or rebuild trust in relationships **WILL** take place to ensure successful reintegration. Sanctions are not in place to demean or seek revenge. The aim is to highlight where behaviour has fallen below the expected standards so that the individual's behaviour improves and that the college's standards are maintained. Sanctions have most impact when applied in a timely manner in response to a breach of the behaviour policy and/or Learning Expectations. **Decisions regarding sanctions and consequences can and will be made on the balance of probabilities and will always consider the Equality Act 2010.**

8. Levels of Intervention to Support Improvements in Behaviour

8.1 Whole School Pastoral Levels of Behaviour and Support Strategies

When deciding on the most appropriate interventions and support strategies, staff will make an informed decision depending on the nature of the offences and will take a holistic approach. Staff will consider the child and their needs first and the data second in line with our College Mission statement, the Eight Essentials and The Equality Act 2010. Behaviour data will show if a student's poor choices of negative behaviour is a wider pastoral issue or a departmental issue. The Principal is the only person responsible for making the most difficult decisions such as suspension or permanent exclusion. The Vice Principal will make the decision in the Principal's absence.

Negative Behaviour Pathway based on student choices	Strategies of Support, Intervention and Consequences
<p>Level 1 0 to 3 Negative SIMS Behaviour Points</p>	<ul style="list-style-type: none"> Form tutor to have supportive/coaching discussions daily with students regarding incidents logged.
<p>Level 2 4 to 9 Negative SIMS Behaviour Points</p>	<ul style="list-style-type: none"> Form tutor to contact home to discuss a student's conduct and whether the issues are behavioural or organisational (equipment/homework). Parents to support students with organisation
<p>Level 3 10 to 20 Negative SIMS Behaviour Points Or Two incidents of internal isolation</p>	<ul style="list-style-type: none"> Form tutor to contact home to inform that the student is on report Student placed on daily report to form tutor (green) for two weeks (completed and formally recorded in SIMS) Automatic generation of a Leadership Detention due to the student failing to correct their choices despite previous sanctions, discussions and support
<p>Level 4 21 to 40 Negative SIMS Behaviour Points Or Three incidents of internal isolation</p>	<ul style="list-style-type: none"> Head of Year to contact home to inform parents /carers that the student is on report with them and a meeting to be arranged with parents/ carers Students placed on daily report to HoY (yellow) for two weeks (completed and formally recorded in SIMS) Automatic generation of a Leadership Detention due to students failing to correct their choices despite previous sanctions, discussions and support
<p>Level 5 41 to 60 Negative SIMS Behaviour Points Or Four incidents of internal isolation</p>	<ul style="list-style-type: none"> Head of Year to contact home to inform parents/ carers that the student is on report again Head of Year to have a Behaviour, Expectations & Progress Improvement Meeting. Level 5 Behaviour & Expectations Contract communicated and signed by the students and their parents/carers. Student one-to-one meeting with behaviour mentor

	<ul style="list-style-type: none"> • Student on AM/PM report to HoY (yellow) for two weeks (completed formally recorded in SIMS) • Automatic generation of SLT Saturday detention due to students failing to correct their choices despite previous sanctions, discussions and support • Possible Suspension for 'serious breach or persistent breaches of the school's behaviour policy' (<i>DfE Guidance</i>)
<p style="text-align: center;">Level 6 61 to 80 Negative SIMS Behaviour Points or Five incidents of internal isolation</p>	<ul style="list-style-type: none"> • SLT to contact home to inform parents/carers that the student is on report to SLT • Head of Year and SLT to have a Behaviour, Expectations & Progress Improvement Meeting • Level 6 Behaviour & Expectations Contract communicated and signed by the students and their parents/carers. • Student monitoring with behaviour mentor/coach • Student on Report to SLT (red) for two weeks (formally recorded in SIMS) • Automatic generation of SLT Saturday detention due to students failing to correct their choices despite previous sanctions, discussions and support • Possible Suspension for 'serious breach or persistent breaches of the school's behaviour policy' (<i>DfE Guidance</i>) • Possible Educational Psychologist inclusion • Possible risk assessment surrounding the impact on others • Possible 'step out' at another school.
<p style="text-align: center;">Level 7 80+ Negative SIMS Behaviour Points</p> <p>Previous Behaviour, Expectations & Progress Improvement Meetings & Behaviour & Expectations Contracts have been unsuccessful in correcting student choices.</p>	<ul style="list-style-type: none"> • SLT to contact home to inform that home that the student is going to report to SLT and update them about the on decline in progress, standards and wider impact on others • SLT & Principal to have a Behaviour, Expectations & Progress Improvement Meeting • Formal Behaviour Panel arranged with Governors. • The Principal to consider suspension or alternative provision if necessary • Student on AM/PM or hourly report to SLT (red) for two weeks (formally recorded in SIMS) • Possible Permanent Exclusion for 'serious breach or persistent breaches of the school's behaviour policy' (<i>DfE Guidance</i>)

Intervention explanations:

Behaviour Reports:

Students will complete a hard / card copy which will be signed daily by teachers, parents and reviewed daily by the Form Tutor, Head of Year and /or Member of SLT. It must be signed by parents. At the end of the two-week period the report will be saved and uploaded to SIMs next steps will be decided and parents will be informed.

Behaviour, Expectations & Progress Improvement Meetings:

These will take place with a focus on improving student choices and their accountability of behaviour. Students that fail to improve their choices could escalate and will be given a behaviour contract.

Behaviour & Expectations Contracts:

A student's full behaviour log will be printed and communicated to parents during a meeting. The wider impact of a student's poor choices and behaviour will be discussed and next steps will be agreed by the College and a meeting will take place between, HOY, parents /carers and the student. If the trajectory of a student's poor choices is positive rewards will be issued, however, if the trajectory is negative further sanctions will be issued and their behaviour pathway level would increase which could result in further sanctions and possible suspension.

8.2 Departmental Levels of Behaviour and Support Strategies

Negative Behaviour Pathway based on student choices	Strategies of Support and Intervention
Level 1 3 to 5 Negative SIMS incidents within an academic year	<ul style="list-style-type: none">• To be sanctioned by the classroom teacher following the behaviour policy.• Contact home should be made by the classroom teacher.• A sanction / detention should be given
Level 2 6 to 9 Negative SIMS incidents	<ul style="list-style-type: none">• To be dealt with by the classroom teacher following the behaviour policy with the support of the Head of Department (HOD).• Contact home should be made by the classroom teacher or HoD and a parent/carer meeting should take at the College. Meeting notes should be recorded and uploaded to SIMS.• Student to be placed on subject report and given departmental report to HoD. This to be uploaded to SIMS• Student may be isolated in another teacher's lesson within the department or with the HoD.• A sanction / detention from the HoD / Subject faculty should be given
Level 3 10 to 15 Negative SIMS incidents	<ul style="list-style-type: none">• Parent/carers meeting with Head of Department and Head of Year• Students placed on subject report in SIMS to HoY.• Wider whole school sanctions may be applied such as internal isolation.
Level 4 15+ Negative SIMS Incidents	<ul style="list-style-type: none">• Parent/carers meeting with department SLT line manager involvement and the classroom teacher and Head of Department.• Students placed on subject report to Department SLT Line Manager uploaded to SIMs on completion.

9. Suspensions

9.1 DfE guidance – Suspension and Permanent Exclusion from maintained schools, academies and pupil referral units in England, including pupil movement 2023

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1162401/Suspension_and_permanent_exclusion_guidance_May_2023.pdf

Only the Principal can suspend a student from the College. If the Principal is absent from school the Vice Principal has the authority to suspend a student. They will then make it clear that they are acting in the Principal's absence.

A decision to suspend a student can be taken:-

- In response to a serious breach or breaches of the School's Behaviour Policy deemed to be serious enough to warrant the suspension;
- If allowing the student to remain at School would seriously harm the education of students or welfare of the student /staff or indeed the offending student.

9.2 SAC Internal Isolation

Internal Isolation may be deemed appropriate when a student's choices are negatively impacting the learning of others or impinging on any of the Learning Expectations. It may also be used when a behaviour does not warrant a fixed term exclusion but is serious enough in nature to be used instead of, or, as well as a Leadership Detention. There is no isolation room at St Ambrose so students isolated will be given direction from SLT and / or Heads of Year. Parents/ Carers will be informed.

9.3 Fixed Term Suspensions

Fixed Term Suspensions (up to 45 days in one academic year)

For what the Governing Body deems to be serious situations, when it is thought appropriate to remove the student from School. Parents will be informed immediately and a meeting arranged as soon as possible. Such suspensions will follow statutory guidance as laid out by the DFE

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1162401/Suspension_and_permanent_exclusion_guidance_May_2023.pdf

<p>Fixed term Suspensions may be issued for the following offences (although this list is non-exhaustive and the Principal has the authority to suspend for offences not stated below but deemed of a serious nature):</p>	
<ul style="list-style-type: none"> A one-off serious incident of violence or wanton damage Smoking or possession of cigarettes, e-cigarettes/vaping paraphernalia in or around the school premises Possession, promotion or use of any non-prescribed drugs, (including before and after school) 	<ul style="list-style-type: none"> Bullying Racist, sexist, gender, disability, religious and/or physical appearance abuse (protected characteristics) Theft Repeatedly disobeying teachers' academic instructions Misuse of the college's ICT systems and/or equipment Possession of any banned items Inappropriate use of social media or online technology

<ul style="list-style-type: none"> • Persistent refusal to comply with the school's uniform code • Abuse or serious disrespect shown to teaching and support staff • Continued and persistent breaking of school rules • Continued and persistent disruption to learning; • Any S6 behaviour • Making attempts to lie and cover up poor choices • Failure to attend a Saturday Morning Detention • Having Two Saturday Morning Detentions in a Term • Non-compliance 	<ul style="list-style-type: none"> • Refusal to comply with internal investigations or withholding the truth during an internal investigation that contributes to wasting staff time • Deliberate and/or persistent failure to comply with health and safety measures and policy • Any action that brings the school in to disrepute in or out of school • Failure to comply with expectations of staff when in isolation or failure to evidence contrition and/or willingness to improve behaviour/standards when in working in isolation (including non-compliance with expectations when in isolation) • Failure to attend a Saturday detention if issued for missing a Leadership Detention • Student can be suspended for poor behaviour that takes place out of school • Any form of harassment towards another student, member of staff or anyone associated with the college including whilst online. (See above for definition section 7)
---	---

9.4 Permanent Exclusions

Saint Ambrose College will make decisions on permanent exclusion based on the Department for Education (DfE) guidance. The DfE guidance states that the decision to exclude a student permanently should only be taken:

- In response to a serious breach or persistent breaches of the school's behaviour policy; and
- Where allowing the student to remain in the College would seriously harm the education or welfare of the student or others in the College.

See full DfE guidance using the link below:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1162401/Suspension_and_permanent_exclusion_guidance_May_2023.pdf

The Principal will consider all the relevant facts and evidence to support the allegations made. Circumstances in which it might be appropriate permanently to exclude a student for a first, one-off offence may include:

- Verbal / threatening behaviour against a student or adult.
- Serious actual or threatened violence against another student and/or adult.
- Serious abuse against sexual orientation, gender identity and/or disability.
- Sexual misconduct or assault.
- Supplying, possession, promoting or misuse of an illegal drug, medicines or solvents. This includes arranging or facilitating illegal drugs to be brought on to the school premises;
- A student who repeatedly disobeys their teachers' academic instructions could be subject to exclusion.
- Carrying an offensive weapon, or the use of any implement as an offensive weapon;
- Making malicious and false allegations against another student or a member of staff; or
- Setting off or the possession of fireworks.
- Serious Inappropriate use of social media or online technology.
- Wilful and repeated transgression of protective measures in place to protect public health.
- Any action that brings the school in to serious disrepute
- Any form of harassment including whilst online (see above for definition section 7)

Please note: This list is not exhaustive

Police Involvement

St Ambrose College has a strong and established link with the local Constabulary with whom we will cooperate if a student's misbehaviour is deemed to constitute a violation of criminal law.

IT MUST BE NOTED THAT SCHOOL AND POLICE ACTION ARE INDEPENDENT OF EACH OTHER.

9.5 Alternative Provision

Students continuing to fail to meet College expectations could be directed off site for Alternative Provision (AP) with the purpose of correcting their behaviour. This could be to a different school or a Pupil Referral Unit (PRU). Alternative provision would be time limited and agreed objectives and outcomes will be set. Parents and carers will be given regular updates based on agreed review points with the alternative provision provider. Once a placement has concluded a reintegration meeting will take place to evaluate the placement and agree future objectives and outcomes.

10.2 2010 Equality Act

The College is aware of its duties under the Equality Act 2010 and will be mindful of these when addressing issues of indiscipline. All rewards and sanctions will be applied fairly and consistently, and will ensure that no student is treated less favourably for reason of gender, race, religious belief, sexual orientation or a disability as defined by the Disability Discrimination Act.

<https://www.gov.uk/guidance/equality-act-2010-guidance>

10.3 Anti-Bullying Policy

At St Ambrose College we are committed to providing a warm, caring and safe environment for all of our staff and students so that they can learn, work, develop and grow as human beings made in God's image and likeness in a relaxed, secure and motivating environment. The cornerstone of our mission as an Edmund Rice school is the promotion of The Eight Essentials. In March 2021 we were awarded the Anti-bullying Alliance's, All-Together Programme Silver Award for demonstrating our commitment for stopping bullying and improving student's overall wellbeing.

BULLYING IS UNACCEPTABLE AT SAINT AMBROSE COLLEGE

Bullying is any deliberate, hurtful, upsetting, frightening, humiliating or threatening behaviour by an individual or a group towards other people where the relationship involves an imbalance of power. It is repeated over a period of time and it is very difficult for the victims to defend themselves (remember STOP – it happens Several Times On Purpose). Bullying is an act of injustice, it is mean and results in worry, fear, pain and distress to the victim/s. It is contrary to the ethos and values of St Ambrose College which include compassion for those in need and concern for all the whole person.

For full details of Anti-bullying Policy please use the link below:

<https://www.st-ambrosecollege.org.uk/page/?title=Policies+and+Procedures&pid=31>

10.4 Use of Reasonable Force

In the unlikely event that staff have no other option other than to use reasonable force, they will comply with the guidelines set out by the Department for Education. A link for which can be found below:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/444051/Use_of_reasonable_force_advice_Reviewed_July_2015.pdf

Some key points from the document include:

- School staff have a power to use force and lawful use of power to provide a defence to any related criminal prosecution or other legal action.
- Suspension should not be an automatic response when a member of staff has been accused of using excessive force.
- Senior school leaders should support their staff when they use this power.
- The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with students.
- Force is usually used either to control or restrain. This can range from guiding a student to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.
- 'Reasonable in the circumstances' means "using no more force than is needed".
- All members of school staff have a legal power to use reasonable force.
- This power applies to any member of staff at the school. It can also apply to people whom the Principal has temporarily put in charge of students such as unpaid volunteers or parents accompanying students on a school organised visit.

10.5 Banned Items, Searching, Screening and Confiscation

Items prohibited to be brought into the College or its grounds by any student include:

- Alcohol
- Cigarettes or tobacco of any kind
- Stolen items
- Vaping paraphernalia
- Any form of weapon that could be used to cause serious harm or be used to intimidate others
- Any article that the member of staff reasonably suspects has been, or likely to be used to commit an offence or to cause personal injury to, or damage of property of; any person (including the student themselves)
- Drugs of any kind (*including prescription drugs without prior agreement*)
- Any form of imitation weapon
- Any form of pornography
- Energy drinks containing stimulants
- Explosive devices or fireworks of any kind
- Anything that could be deemed a fire hazard including matches and lighters
- Anything that could be used to cause disruption to the calm environment expected around the college via so called 'pranks'.
- Literature that promotes hate and division and goes against the Catholic values of the College
- Any items which would be illegal to purchase by under 18s

This list is non-exhaustive and would include any other item that could be deemed inappropriate for use within an educational setting or has potential to offend, cause harm or distress to others.

The Governing Body is aware that schools have been given the power to search students in line with Department for Education guidance 'Searching, screening and confiscation. Advice for headteachers, school staff and governing bodies'

The Principal has given authority for all members of the college SLT as well as Heads of Year to carry out searches. https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1091132/Searching_Screening_and_Confiscation_guidance_July_2022.pdf

It is important that the member of staff ensures the student understands the reason for the search and how it will be conducted.

If a student refuses to consent to being searched a member of staff may sanction in line with this policy and apply it consistently and fairly. If a student continues to refuse to cooperate the member of staff will decide if it is necessary to use reasonable force to conduct the search. See above 10.4. reasonable force. https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/444051/Use_of_reasonable_force_advice_Reviewed_July_2015.pdf

10.6 Hair Policy

Students are expected to come to school with clean and neat hair each day.

- Hair must be natural in style and in colour
- Lines shaven into the hair/eyebrows are not permitted
- Patterns shaven or created into the hair/eyebrows are not permitted
- Hairstyles which are egregious are not permitted
- Hair must be shorter than collar length and be styled so that eyes, eyebrows and face are not obscured by hair
- Students are permitted to wear hair accessories to ensure that hair is kept off the collar e.g. pony tail or hair band (top knots are not permitted). When wearing such accessories, the accessory itself must be simple in style and the colour must match the hair
- Hair on the top of the head should not be cut lower than a 2 and other egregious combinations of lengths of hair are not permitted (e.g. a combination of shaven and long hair)
- The face must be clean-shaven with the exception of students who wear beards for reasons prescribed by their religion.
- Any styles/cuts which distract either the student themselves or other students during lessons are not permitted
- Any styles/cuts which result in the hair covering the student's eyes are not permitted for the reason that students should be able to see teachers clearly and have eye contact with staff during lessons

The College recognises that hair type is intrinsic and natural hair can be diverse. To ensure students have confidence and pride in their natural-born hair and cultural differences, consideration for student's heritage will be recognised. Students will not be discriminated against based on their protected characteristics.

The college leadership team will be mindful of styles originating from different ethnic backgrounds when deciding on whether styles/cuts are egregious or not. The college leadership team will also be mindful of any mental health diagnoses or a disability when assessing the suitability of the chosen haircut.

Parents are strongly advised to seek advice on the acceptability of hairstyles that may be considered egregious or against policy before allowing their son to adopt such a style. School reserves the right to insist on re-styling if it considers the style inappropriate and also retains the right to determine what is or isn't egregious.

10.7 Sixth Form Attitude, Behaviour and Compliance Policy

Please refer to the Sixth Form handbook available on the college website for further information:

<https://www.st-ambrosecollege.org.uk/page/?title=Sixth+Form&pid=11>

Gentlemen of the Sixth Form are expected to adhere to all College rules and policies. This appendix is intended to outline the attitude, behaviour and compliance issues related specifically to gentlemen of the Sixth Form so that their attitude to their Sixth Form studies gives them the best possible chance of achieving the progress and attainment levels expected.

Adherence to the principles within this policy and its appendix is expected, as a minimum, and should any young man be in breach of the expectations as outlined, sanctions may be applied accordingly.

We are committed to creating a positive working environment in which each young man in the Sixth Form can achieve to their potential and prepare themselves for the next stage of their lives whether they continue their education at third level, undertake an apprenticeship or enter the workforce.

As a Catholic Sixth Form, our young men are expected to deepen and enhance their knowledge and understanding of the Catholic faith, to enable them to become true followers of Jesus Christ.

Attitude

Proactive AtL evident in all lessons – ‘good’ or ‘outstanding’ on the school behavioural report. A pattern of ‘reluctant’ or ‘passive’ grades will result with one of the Sixth Form team meeting with parents.

Positive, pleasant and polite in dealings with members of the whole school community (peers, teachers and ancillary staff). Any young man who is rude, uncooperative or belligerent in his dealings with others will be sanctioned.

Respectful approach to the building including all equipment and the common room. The common areas are to be used for quiet study where noise should be kept to a minimum.

Behaviour

Punctuality to school and lessons. It is unacceptable for gentlemen of the Sixth Form to be late without a valid reason. As per Key Stages 3 and 4, the College day for students begins at 08:55hrs.

If a student is late to a lesson, without a valid reason, the member of staff will enter the lateness and minutes late on SIMs this will then instantly trigger a lunchtime detention the next day.

Attendance at all scheduled lessons and activities (including general RE and PE / Activities, Form / Assembly and supervised study / Thursday Thought and any other duty or lesson either timetabled or agreed). Medical appointments, driving tests and university visits (for example) will need to be supported by written evidence. NB It is not permitted to allow students out of school for driving lessons.

Compliance

It is expected that gentlemen of the Sixth Form comply with all College rules and policies, as outlined in the overall Behavioural and Discipline policy and the Sixth Form Behaviour Contract. We would hope that our Ambrosians will take advantage of their leadership opportunities and behave as role-models for younger students; it is expected that gentlemen of the Sixth Form will work individually and collectively to this end.

Non-compliance might include, as an example (this is not an exhaustive list, but indicates the sorts of transgressions that might occur):

- Not meeting deadlines set by subject teachers
- Not completing homework tasks to a sufficiently high standard
- Misusing self-directed study time
- Not attending supervised study, or other support systems in place
- Not adhering to school rules regarding use of mobile phones
- Not following general school rules, systems and procedures (see whole school policy)
- Neglecting Thursday Thought duties
- Persistent tardiness
- Defiance to any member of staff
- Repeatedly failing to follow instructions of teaching staff
- Impoliteness to others within the school community
- Not taking an active part in the spiritual life of the school

Persistent failure to meet the standards of attitude, behaviour and compliance expected of our students will result in sanctions leading to formal disciplinary action. It is imperative that all students undertaking an NEA or EPQ keep up to date with internal deadlines or this will be seen as non-compliance. Students who do not comply with our expectations may jeopardise their position at St Ambrose College and it could result in suspension and indeed permanent exclusion.

At St Ambrose College, our policies are in place to ensure a safe and consistent environment to allow the gentlemen of the Sixth Form to flourish. Tackling standards which fall short of our expectations is part of our commitment to providing the students with the best opportunity to thrive in their academic aspirations and targets as well as preparing them for life and work beyond their studies.

10.8 Acceptable and responsible use

Staff and students should use all equipment responsibly and appropriately. Please refer to the Acceptable Use Policy by following the link below to our website;

See APPENDIX 1 for the acceptable Use Policy agreement.

10.9 Mobile Phone Policy

Mobile Phones in School - Years 7-11

Mobile phones should not be seen or heard at any time during the school day unless specifically requested to by staff to aid teaching and learning in the very rare occasions such as to take photos of Art or DT work to aid teaching and learning.

The College strictly prohibits photo or videos being taken of others without their permission.

Students are not allowed to check the time on mobile phones or complete research on mobile phones. There may be exceptions during exam seasons and these will be clearly communicated to students. Students needing to contact home for any reason can do so via the school office, or, on rare occasions on their mobile phones with staff permission/supervision. Parents needing to contact their children should also do so via the school office and not directly call or message students as this facilitates use of mobile phones and will result in confiscation.

Mobile phones must be turned off before entering the College grounds and any associated ear/headphones must also be removed and put away. Phones should not be turned on again until you have left the College grounds.

Any mobile phone seen or heard will be confiscated until the end of the day in the first instance and the student will be issued with a Leadership Detention. At the end of the day the phone can be handed back to the student by SAC staff.

Students offending for a second time will have their phone confiscated for 2 school days following the confiscation and the student will be issued with a Leadership Detention.

Third offences will result in a Saturday detention, phone confiscated for one week and the students will be banned from bringing a phone into school for the remainder of the academic year.

Once a decision has been made to confiscate a mobile phone, no negotiation will be entered into. Parents concerned about safety will be advised to buy a low-cost mobile phone and a pay as you go SIM card for the duration of any confiscation.

Mobile Phones in School - Sixth Form

If you choose to bring a mobile phone or other e-devices and valuables then we cannot be held responsible in any way if they are lost or stolen. If a member of the Sixth Form is found using a mobile phone on the premises, **other than in the sixth form areas on the top floor** (not the breakout areas) then it is likely to be held by staff until the end of the day for the first confiscation, or until retrieved by a parent for subsequent confiscations.

Sanctions will be issued in line with the school policy. Head phones will be confiscated if worn anywhere other than the Sixth Form areas on the top floor.

10.11

Focus Days/Weeks

The College may choose to randomly target specific behaviours that are periodically starting to cause concern such as a drop in uniform standards, running on the corridors. Students will be warned of the focus and those

found to be in violation of such expectations will be issued an instant Leadership Detention. The College will use behaviour slips, (mentioned above), which are aimed to target specific poor behaviour and a student will be given a lunchtime detention for infringements for example running.
