Sixth Form Weekly Newsletter

Friday 19th June 2026 - 35

Dear Parents and Carers,

Sincerest apologies for not writing last week. But with the Inset and the examinations there was very little to convey.

This week is somewhat different. The end of exams for our Upper 6 is a relief enjoyed by all. Well done to the boys. It was a tough run and for many of our young men they're depleted and exhausted. I don't think any Director of Sixth Form could have asked the boys to put in as much effort. Whatever happens on August 13th we can be assured that our boys have done everything they could to achieve their very best.

I would like to reiterate our thanks on behalf of the boys to Miss Widolf, Miss Dean, Mrs Hart, Mrs Grainger, Miss McEwan your form tutors, subject teachers the College leadership team and our wonderful parents and carers. All have worked tirelessly to get to this point.

As a College we are exceptionally proud of the Year 13 boys. I look forward to celebrating with everyone on Friday afternoon at the Year 13 BBQ. Have the best summer ever! Unlike the Director of Sixth Form in the 'Inbetweeners' I won't appear at any of your holiday destinations..... or maybe I will!!!

Well done to Mr Gunning who orchestrated the Year 12 work experience the reports I have received and been glowing in their praise for the boys and their commitment.

We look forward to evaluating the results of the year 12 tests and will be in touch with you individually if we are disappointed.

In the teacher awards on Wednesday the national nominations led by the Pearson group cited Miss McCorry and Mrs Taylor as exemplar teachers who go 'ABCD' (above and beyond the call of duty). Congratulations to these exceptionally worthy recipients.

To the year 13 boys enjoy your celebrations and for the year 12 boys you are now the vanguard of the school and our expectations are exceptionally high. A standard set by our current year 13.

Kind regards,

Stephen Brady
**Assistant Principal &
Director of Sixth Form**
