

Saint Ambrose College

Sixth Form Weekly Newsletter

Wednesday 15th July 2026 - 38

Dear Parents/Carers,

I hope you're all well and ready for the summer holidays. I know that after five days in Normandy with year 8 I am very ready for a rest.

I would like to thank Dr Sate for taking the boys paint balling on Monday and Mr Groves and Mrs Wheelan for coming to the rescue by ensuring the Gold DOE went ahead after our minibus had another breakdown. If any parent/parents would like to dig deep and help towards the purchase of a new minibus we would be more than grateful!!

Mrs Scott and the Sixth Form team have worked tirelessly with UCAS and we are in an excellent state as we approach the summer.

As I begin packing my buggy smugglers for Portugal I reflect upon the year we have had. The incredible success of our Sixth Formers whether in the classroom or on the field of sport. It's so inspiring to see our boys push themselves and strive for excellence. They do so in an unarrogant way that is indeed humbling and truly representative of Catholic Christian values.

I spent Tuesday night going through last year's newsletters and was bursting with pride when I was able to read back when I scribed our multiple virtues.

Thank you to our parent/carers body for all your support. We thank the whole school community from our cleaners, the office, the porters, the kitchen, teachers, leaders and the Sixth form team for making our Sixth Form one of the most triumphant in the country.

I wish you your sons and all my colleagues a wonderful and safe summer.

God bless you all.

Kind regards,

Stephen Brady

**Assistant Principal &
Director of Sixth Form**
