

Parent/Carer Information Evening

September 2026

Mr Farrell, Head of Year
Mr Groves, Vice Principal

St Ambrose College

"Walking in the footsteps of Edmund Rice"

Opening Prayer

Heavenly Father,

We gather this evening as a community to discuss issues which aim to allow the students of St Ambrose College to be the best they can be and ultimately bring about the betterment of society.

Please continue to send your spirit amongst us when we gather so that we can receive tonight's messages with clear understanding and wisdom.

We pray for the boys and their families, that they have a safe and settled academic year. We pray that the students take all the opportunities afforded to them, thereby ensuring they remain on track to succeed and make a positive impact on the modern world.

Amen

SAC Mission Statement

At St Ambrose College, we will follow the example of Blessed Edmund Rice and his vision for education as laid out in The Eight Essentials.

We will provide a **rounded, holistic and transformative** Catholic education enabling all boys to grow in faith and reach their full potential as well educated, disciplined, compassionate and empowered young men who strive for excellence and justice in all that they do.

With the Gospels and the spirit of Blessed Edmund at the heart of what we do, staff, pupils, and families will **partner together** to celebrate the talents and individuality of all in our community and produce resourceful and resilient Ambrosians, **equipped to make a positive impact in the modern world.**

Data – Key Stage 3

- Students will receive an **Attitude to Learning score** and a **curriculum attainment descriptor**:
 - **Developing**
 - **Secure**
 - **Exceeding**
- As a grammar school, we have high academic expectations. These expectations are reflected in the criteria for each descriptor.
- We expect the majority of students to be working at the **Secure** level. This indicates that they are meeting the school's **high curriculum expectations**.
- **Exceeding** is awarded to approximately the **top 10%** of students who consistently demonstrate knowledge, understanding and skills beyond the expected curriculum standard.
- **Developing** indicates that a student is not yet consistently meeting curriculum expectations. Additional support or intervention may be provided to help them make progress.

St Ambrose College

Assessment

- Each department identifies **key pieces of work for formal assessment**, carefully designed and planned by the Head of Department.
- These assessments are shown in each department's assessment calendar, available on the school website
 - <https://www.st-ambrosecollege.org.uk/page/?title=Assessment+Calendars&pid=501>
- The purpose of marking is to provide students with **clear, purposeful feedback** that helps them understand how to improve.
- Students are expected to act on this feedback using **green pen**, making their improvements clear and creating a useful record to support future learning and revision.
- **Formative assessment** is used regularly throughout lessons to check students' understanding, identify misconceptions and establish individual learning needs.
- Teachers use this information to adapt their teaching and provide appropriate support and challenge.

Revision skills and techniques

- Revision must be ongoing, not just something to be done immediately before external or end-of-year exams.
- Different people revise in different ways or prefer different techniques, and some techniques work better for some subjects than others, so it is important that students try out different revision techniques to figure out what works best for them.

St Ambrose College

“Walking in the footsteps of Edmund Rice”

On the website there are several resources to help the students.
They can use these any time they have a short test or any time they have less homework / finish their homework early.
It is good practice to use some of these strategies regularly to help them consolidate their learning.

Eligibility for Free School Meals (FSM)

From September 2026, there will be changes to who can and cannot receive Free School Meals (FSM).

End of transitional protection

Temporary protections that allowed children to continue to receive free school meals without rechecking eligibility will stop at the end of the 2025-2026 school year.

From September 2026, all families will need to meet the current eligibility rules to continue receiving free school meals.

Two types of benefit-based free school meals to be introduced

1. **Targeted Free School Meals** – your child may qualify if your household receives Universal Credit and has an annual household income of £7,400 or less (after tax, not including benefits).
2. **Expanded Free School Meals** – Your child may qualify if your household receives Universal Credit.

If you are currently receiving FSMs, you do not need to take any action at this stage. Your school will check your eligibility and confirm if you will continue to qualify from September 2026.

Apply online using the link on SAC website
