

## Pupil Premium Statement for Academic Year 2017-18

### Introduction

Pupil Premium was introduced by the government in April 2011. The funding was allocated specifically for children from low-income families who were eligible for free school meals, looked after children and those from families with parents in the Armed Forces.

Each individual school decides how their Pupil Premium is best spent to raise achievement and improve outcomes for the target pupils identified. Schools are however held accountable for how the funding is used and are expected to report to parents and the Governing Body on Pupil Premium expenditure.

### 2017/2018 Pupil Premium

For the financial year of April 2017 to March 2018 the college has received £32,658 in Pupil Premium funding.

For the financial year of April 2018 to March 2019 the college is due to receive £35,000 in Pupil Premium funding.
